POLYAS

BERLIN BASED SENIOR SOFWARE DEVELOPER

Polyas is the market leader for online voting services in Germany. We love democracy and want to simplify the voting process for voters and election organizers alike. We have developed a web-based voting tool, which is used by over one million people per year. We are looking for talented people who want to help change the modern democratic process. We are a modern company and are looking for people who appreciate the start-up atmosphere.

We are looking for the following position for our office in Berlin:

Senior Software Developer (f/m)

Your Responsibilities at POLYAS:
- Building, maintenance and modernization of new and existing back-end architecture
- Development and management of new and existing databases
- Care and further development of existing container-infrastructure
- Installation and administration of Linux Servers
- Creation of a development team in our Berlin office

Your Profile:
- Minimum of 3 years professional experience in a relevant field
- Years of experience with Java and / or Scala
- No fear of Linux
- Experience with Play! or a similar framework
- Good understanding of MySQL/MariaDB
- Experience with containers, in particular Docker and/ or Rancher
- Good knowledge of JavaScript, CSS & REST
- Experience with automated tests
- Good sense of humor and a love of your work

You can expect:
- A multicultural, creative and open team with room for further development
- Varied tasks in a dynamic start up which you can help shape
- Large amount of creative freedom as well as the space to explore new technologies and concepts as part of a team
- Constant opportunities to learn and good opportunities for further development
- A competitive salary, a good work-life balance, flexible hours, and home office upon consultation
- Use the latest technologies and get to know our product developed from software to hardware by our in house team

Interested? Send us your application now - we would be pleased to hear from you!
Please send your CV and documents as well as a possible starting date to Mr Patrick Busch at jobs@polyas.com
